

I told you the record of success, which they call failure, 50 percent reduction. We have 90 percent and 100 percent increases in some drug use, illegal narcotics abuse, and use in some substances in a short time in this administration.

But I look forward to working with my colleagues. It is a tough battle. It is not a partisan battle. Republicans make mistakes, Democrats make mistakes, but we must learn by the mistakes of this administration and never let them happen, and seize back our community, seize back our children, and not let another family or child or parent or loved one in this country be victimized by illegal narcotics.

Mr. Speaker, I wish to thank the staff and you for being tolerant for my second one hour presentation this week, but I feel very deeply about this, and I am committed to do whatever I can as one Member of Congress to help us do a better job.
